

Golf Lesson Cancellation Policies

Cancellations & No Shows

- There is a 24-hour notice for all cancellations.
- If less than a 24-hour notice is given and I can't fill the time slot, you will be charged, either taken from your series or as a separate charge.
- Health Emergencies are always an acceptable reason for late cancellations or no shows and will not result in a loss / charge of a lesson.
- Business emergency, i.e. last minute meeting or schedule change, and I am unable to fill the time, then you will be responsible for payment of that appointment.
- If you simply miss an appointment due to confusion about the date or time, you are responsible for payment of that appointment.

Rain

- Living in sunny Southern California in the rare occasion we experience rain, I will call you the day of your lesson to inform you whether or not we will be having our lesson. Since we have so many beautiful days in California I will not force anyone to take a lesson in rainy conditions if they rather not.

Thank you for your cooperation!
